

Ejercicio N°1. Conociendo Paint

Escribe los nombres en las etiquetas.

Diagram for labeling the Paint application window. It shows a screenshot of the Paint window with several empty boxes and arrows pointing to specific parts of the interface:

- Four boxes at the top point to the title bar (containing the window title and control buttons).
- Three boxes at the bottom point to the status bar (containing zoom level, dimensions, and other window information).
- Arrows also point to the 'Herramientas' (Tools) section, the 'Colores' (Colors) palette, and the 'Formas' (Shapes) section.

Construye el siguiente en tu PC y píntalo de color diferente cada figura geométrica.
